Somerset Kilimani will have a 100 pax French themed Brasserie featuring primarily a Continental menu. Food & drinks will also be served at the residents' lounge, children's play area and pool sitting area on the ground floor.

The development will also feature a 50 pax roof top bar that will only accessible to guests. It will from to time also hold small private parties for residents

Britam Life wishes to acquire for Sommerset Westview Apartments a comprehensive Point of Sale System which will include but not be limited to the following functionalities:

- Restaurant Table management
- Communication with kitchen, bar and other till options
- Takeaway, pickup, delivery and eat-in options
- Menus and courses management to include; Ingredient-tracking
- Inventory management to include:
 - Recipe ingredients and costs
 - Theoretical cost of goods
 - Menu engineering
 - Products receiving
- Financial Accounting module or Integration with a Financial Management system.
- Reporting to include Business information reporting for Britam.

The Vendor will be required to present an overview of system's functionalities to permit review of customization necessary prior to installation.

The purpose of this RFP is to give to qualified interested bidders the information necessary to formulate proposals for the supply, installation and support for the Point of Sale System.

THE REQUEST FOR PROPOSALS

This RFP is addressed to business application vendors, resellers and integrators offering Information Technology (IT) systems and solutions that address the requirements of Britam Life as set out in this RFP document.

This RFP invites eligible parties to submit proposals and demonstrate the capabilities of their Point of Sale System as well as their organizational abilities to successfully deploy the system, to enable the evaluation and selection of vendors, resellers and integrators in accordance with the requirements set out in this document.

The Tender closes on **Friday, 31 July 2020, 14:00, East Africa Time in Nairobi.**

Each bidder is required to acknowledge receipt of the RFP, and notify his intention to submit a bid by emailing to Britam through procurement@britam.com as set out in section 3.1 of this document

Failure to do so shall be interpreted as an intention not to submit a bid and the Bidder will be eliminated from the bid process, and required to destroy the RFP document in keeping with confidentiality requirements.

Failure to comply with the requirements contained in this RFP may result in the rejection of the bidder's proposal.

These RFP terms and conditions and the other provisions contained in this RFP may be, at Britam's sole discretion, made a part of, and govern any Agreement resulting from, this RFP.

For the avoidance of doubt, bidders are not permitted to disclose any Confidential Information including this RFP to any third party without the prior written approval of the Procurement Manager Britam.

3. General Guidance Notes for Bidders

3.1 Registration of Bidders

Potential bidders are advised to read this document, in its entirety, to establish their interest in participating in this tender and their ability to supply, install, commission and maintain a Point of Sale System at Britam Somerset Kilimani Apartments.

Technical system requirements and standard forms, formats and templates are an integral part of this document.

In order to fully respond to this tender, interested bidders are required to:

- complete the above NDA, which must be signed by a duly authorised representative of the bidder;
- sign and scan the Britam Supplier Code of Conduct form; and
- submit to Britam a signed Britam Supplier Code of Conduct form and the signed NDA **by email** to procurement@britam.com

The above email which will also serve as the bidder's formal registration of intent to respond to this tender, should include the following information:

- bidder's name;
- bidder's legal registration address (including country); and
- bidder's primary contact person and alternative contact (email and telephone contacts).

Upon receipt of the signed Britam Supplier Code of Conduct Form, signed NDA and registration of interest, Britam will send the following documents to the bidder via the email address of the designated primary point of contact, as confirmation of valid registration of the bidder's interest:

- detailed system requirements for the POINT OF SALE SYSTEM included in this RFP (Section 4); and
- standard forms, formats and templates to be used by bidders in preparing their proposal responses.

This RFP has been issued for release on Wednesday, 01 July 2020 and bids close on Friday, 31 July 2020, 14:00, East Africa Time. Bids are required to be electronically submitted to Britam as prescribed in Section 5.2.3 of this RFP document.

Bids must be submitted on or before Bid Closure to qualify for evaluation. Any bid (or information related to a partially submitted bid) that is received after Bid Closure will not be considered for evaluation.

Bidders are advised to ensure that their bid responses fully comply with all requirements outlined under Section 5.1.1, 5.1.2 and 5.2.3 of this RFP for their bid to be deemed responsive. This encompasses eligibility of bidders, minimum response requirements and compliance with submission requirements. Non-responsive bids will be eliminated at the preliminary evaluation stage as outlined in Section 5.3.1.

Any communication notifying bidders about eliminated RFP proposal responses will be at the sole discretion of Britam.</p> <p>No additional information or supporting documentation will be accepted from bidders after Bid Closure Date, other than specific clarifications regarding already submitted documentation that may be requested at the sole discretion of Britam during the evaluation phase.</p> <p>Bidders are allowed to modify / withdraw previously submitted RFP proposal responses, prior to Bid Closure Date. Provision of new information, supporting documentation or re-submission is subject to the above terms.</p>

Ref No	Subject	Description
5.1.3	Conflict of interest	<p>A bidder shall not have a conflict of interest. All bidders found to have a conflict of interest shall be disqualified. A bidder may be considered to have a conflict of interest with one or more parties in this bidding process, if they:</p> <ul style="list-style-type: none"> a) have a relationship with each other, directly or through common third parties, that puts them in a position to have access to information about or influence on the bid of another bidder, or influence the decisions of Britam regarding this bidding process; or b) submit or participate in more than one bid in this bidding process; or c) participated as a consultant in the preparation of the design or technical specifications of requirements included in this RFP. <p><i>For purposes of clarity, an eligible bidder is allowed to submit only one bid as a response to this RFP either individually as a bidder or as a partner in a joint venture. No bidder can be a subcontractor while submitting a bid individually or as a partner of a joint venture. A bidder, if acting in the capacity of subcontractor in any bid, may participate in more than one bid but only in that capacity. A bidder who submits or participates in more than one bid (other than as a subcontractor) will cause all the bids in which the bidder has participated to be disqualified.</i></p>
5.1.4	Fraudulent practises	<p>Britam requires all prospective bidders to adhere to the highest ethical standards during the entire process, from providing RFP proposal response, to selection, evaluation and contracting/negotiation stages.</p> <p>Britam will reject a proposal for award of tender if it determines that a bidder has, directly or through an agent, engaged in either of the following:</p> <ul style="list-style-type: none"> a) canvassing – meant to influence Britam’s decision prior to, during or after submission of the RFP; b) corrupt practice – offering anything of value with a view influencing the outcome of the selection and evaluation process; c) fraudulent practice – misrepresentation or omission of fact; d) collusive practice – scheme or arrangement between bidders to negatively influence the evaluation and selection process; and e) coercive practice – harming or threatening to harm persons and other bidders involved in this process.

Ref No	Subject	Description
5.1.5	No commitment to contract and cost of bidding	<p>This RFP should not be considered as an order. This document shall neither be viewed as a request or authorization to perform work at Britam's expense. Any work performed by a bidder in connection to responding to the RFP will be at the bidder's own discretion and expense. This RFP does not represent a commitment to purchase, lease, or enter into any contractual obligations. Britam reserves the right, at its sole and absolute discretion, to reject any responses, to modify the RFP or to terminate the RFP in part or in whole at any time. Bidders are hereby advised that Britam is not committed to any course of action as a result of its issuance of this RFP and/or its receipt of proposal responses from bidders.</p>
5.1.6	Queries / requests for clarification from bidders	<p>All correspondence related to the RFP shall be made in English and in writing. Any clarification sought by a bidder(s) in respect of this RFP shall be made by 15 July 2020 before the deadline for submission of responses, in writing, to procurement@britam.com and with the subject KSHL2 Request for Clarification . Please note that enquires made or clarifications sought by bidders who have not validly registered their interest (see Section 3.1) or made via telephone or verbally will be rejected and are not allowed.</p> <p>Queries / requests for clarification and replies thereto shall then be circulated to all other bidders (without divulging the name of the respondent raising the queries) in the form of an addendum via email to bidder's designated contact persons.</p> <p>Britam will endeavour to provide responses to queries / requests for clarification within 48 hours of receipt.</p>
5.1.7	Amendments to the RFP	<p>At any time prior to the deadline for submission of responses, Britam may, for any reason, whether at its own initiative or in response to a clarification requested by a prospective vendor, modify the RFP documents by issuing an addendum which will be deemed to be an integral part of this RFP once issued.</p> <p>All bidders who have validly registered their interest in this RFP will be notified of the amendment in the form of an addendum via email to bidder's designated contact persons.</p> <p>To allow vendors reasonable time to take any amendments into account in preparing their responses, Britam may at its sole discretion extend the deadline for the submission of responses based on the nature of the amendments.</p>

Ref No	Subject	Description
5.1.8	Proposal validity	<p>RFP proposal responses are required to be held as valid for a period of 180 days after submission date.</p> <p>During this period, bidders shall maintain the availability of professional staff nominated in their proposal response. Britam will make its best effort to complete the evaluation, selection and negotiation process within this period. Should the need arise, however, Britam may request bidders to extend the validity period of their proposals.</p> <p>Bidders who agree to such extension shall certify that they maintain the availability of the professional staff nominated in the proposal responses, or in their confirmation of extension of validity of the proposal, bidders could submit new staff in replacement, who would be considered in the final evaluation for contract award.</p> <p>Bidders who do not agree have the right to refuse to extend the validity of their proposals.</p>

5.3.1	Technical evaluation	<p>Technical evaluation refers to - preliminary evaluation of bids, technical desktop evaluation of bids, demonstrations by short-listed bidders, and site visits.</p> <p><u>Preliminary evaluation of bids</u></p> <p>Prior to detailed technical evaluation of bids, Britam will undertake a preliminary evaluation of all bids, to ensure all minimum requirements as per Section 5.1.1 and 5.1.2 have been met. Any proposal responses that fail to comply with minimum requirements will be deemed non-responsive and will be eliminated from further evaluation.</p> <p>Technical desktop evaluation of bids will focus on identifying the best fit solution for Britam based on system capabilities (functional, integration, security and technical) and demonstrated ability of the vendor to successfully implement the solution in a comparable environment.</p> <p>Evaluation will place special emphasis on the following aspects and utilize the corresponding weighting matrix.</p> <p>a) System capabilities (based on the detailed technical and functional system requirements, Appendix section) – 70%</p> <ul style="list-style-type: none">- Functional – 50%- Integration – 10%- Technical – 10% <p>b) Qualification and experience of proposed staff – 10%</p> <p>c) Previous / recent experience in undertaking comparable engagements – 15%</p> <p>d) Proposed approach and methodology, and work plan – 5%</p> <p>Based on the scores, Britam will shortlist certain bidders for the next level of evaluation; demonstration by shortlisted bidders.</p>

Ref No	Subject	Description
		<p><u>Demonstrations by short-listed bidders</u></p> <p>This evaluation stage will also combine the financial evaluation (as detailed under Section 5.3.2 below).</p> <p>Demonstration of system capabilities and financial evaluation will account for 70% and 30% respectively, of overall evaluation score at this stage.</p> <p>Short-listed bidders will be invited to demonstrate system capabilities which will enable Britam’s validation of system technical and functional requirements that were included in RFP proposal responses. For purposes of effectively evaluating key aspects of critical system functionality, Britam will provide a script that will guide the bidder presentations and demonstrations. This script and the evaluation criteria to be applied will be provided to short-listed bidders after technical desktop evaluation.</p> <p>Based on the combined score for vendor demonstration and financial evaluation, Britam will shortlist a maximum of 3 bidders to advance to the final evaluation stage; site visits.</p> <p><u>Site visits</u></p> <p>This will involve visits by Britam staff to selected customer reference sites (selected from bidder’s list of previous / recent engagement experience). It will mainly focus on reviewing system functionality in a live environment, including practical challenges faced. It will also provide an opportunity for Britam to listen to customer feedback about the quality of service offered by the bidder (or party to the joint venture/consortium/association).</p> <p>Bidders should confirm willingness of their client and bidder’s own ability to arrange and facilitate for such a visit, prior to inclusion of the customer site in their list of previous / recent engagements. For purposes of effective site visits, Britam will furnish the bidder (and their client) with a checklist of areas of interest.</p> <p>Following site visits, Britam will generate a short-list of 2 bidders, and enter into negotiations with the top ranked bidder.</p>
