Frequently Asked Questions

1. What are chronic & recurrent condition

A disease/illness or injury (including a mental condition) which has at least one of the following characteristic

- Has no known cure and recurs
- Leads to permanent disability
- Is caused by changes to your body which cannot be reversed
- Requires you to be specially trained or rehabilitated
- Needs prolonged supervision, monitoring or treatment

2. What are pre - existing conditions?

These are conditions that one has sought treatment for or has symptoms for a diagnosed & treat prior to the inception of the policy. Most of these usually chronic & recurrent in nature.

3. What are congenital conditions?

A birth disorder or occurring as a result of genetic pre disposition.

4. What happens if I had another cover with the other underwriters?

Renewal invitation showing benefits enjoyed shall be attached and only the specific covers enjoyed previously shall qualify for the waiver of the waiting period. Acute illnesses and accidental cases however shall be covered immediately.

5. What is the effects of non-disclosure?

If pre-existing and chronic conditions are not disclosed, cover does not attach for those conditions and may lead cancellation of the cover.

6. What do I need in order to access a credit facility?

Remember to always carry your medical card and your national ID Passport in case further verification is required.

7. What is the procedure of enrolling a new born child?

Inform Britam immediately the child is born, Birth notification provided and application form filled. Cover commences once Britam confirms acceptance and full premium is paid.

8. What do you get once you purchase your Milele cover?

- A membership card for yourself and members of your family
- A welcome letter
- A policy document
- List of hospitals, physicians, clinics and other healthcare providers
