About the Product?

This is a school fees guarantee cover for the continuity of a pupil or student's education, in kindergarten, primary or secondary school in the event of Demise or Accidental Total and Permanent Disability of a parent/guardian. The cover will be administered by the school and included in the fees in order to give equal opportunity to all pupils/students.

Who is eligible for the cover?

Parents/Guardians with children in Kindergarten, Primary and Secondary, either Private or Public School.

What does the product entail/cover?

- This is a term insurance
- The product covers annual school fees in the event of Natural or Accidental death of the parent
- It extends to cover Total and Permanent Disability due to an accident
- It has a fixed benefit and is renewable annually depending on the class the child is enrolled.

What is the process of buying the product?

- The school comes on board to roll out the cover by signing a form
- The school submit to Britam a list of Names of all pupils/students with the following additional details: Guardian's Name, ID No, Registration/ Admission No, Student/Pupil's Class and Premium Payable
- Every parent/guardian to be insured shall be required to sign a consent form

What is the claim process?

- The nominee submits the Claim documents to the school
- Britam gets the documents from school and processes the claim
- The claim amount is paid to the school in lumpsum for the continuity of the child's education

If the claim amount is more than the school fees, the Nominee shall receive the balance. If the amount is less, then the nominee will top up the balance.

How much does it cost?

The cost of cover is 1.2% of the Sum Insured if school choose to have premium paid once, i.e. in lumpsum. If the school chose to have premiums paid in three term's instalments, the applicable rate shall be 1.4% of the Sum Insured.

Cover can be guarantee either for 1, 4 or 8 year periods. The period of cover for each class would however depend on number of years to end of the last class in school.
