About the Company

Britam is a leading diversified financial services group, listed on the Nairobi Securities Exchange. The Group has interests across the Eastern Africa region. The Company offers a wide range of financial products and services in insurance, Asset Management, Banking and Property.

About the Product

This is a unique insurance product for SACCO members offering an inpatient benefit, accidental death cover, accidental total permanent disability cover and a funeral cover. This is not available as a stand-alone product.

Benefits of Sacco Solutions

- Hospitalization bills paid directly to the hospital on the Britam panel.
- The scope of cover extends to accommodation in a general ward bed in the appointed hospital.
- Includes resident doctors charges, nursing fee, bed charges, pharmacy, laboratory and radiology charges.
- Maternity and pregnancy related illnesses covered for either normal deliveries or caesarian section within inpatient limit (9 months waiting period applies).
- Pre-existing and chronic conditions capped at 50% of limit. Examples of chronic conditions include: diabetes, hypertension, cancer, kidney failure.
- Lodger charges payable for children under 5 years.
